Become part of Keller Minimal Windows SA

To strengthen our team we are looking for a

JUNIOR PRODUCT MANAGER (m/f/d)

We are looking for an ambitious young talent willing to become Product Manager and who is passionate about design building products that customers love. You will join a dynamic and fast-paced environment and work with cross-functional teams to specify, build and roll-out minimalist design windows that deliver the company's vision and strategy.

Your tasks

- * Gain a deep understanding of customer experience, identify, and fill product gaps and generate new ideas that grow market share, improve customer experience and drive growth
- * Operate market research, gather customer's feedback, and generate competitor's analysis
- * Perform internal analysis on our existing product sales and future sales potential
- * Create buy-in for the product vision both internally and with key external partners
- * Scope and prioritize activities based on business and customer impact
- * Work closely with Sales and Marketing, R&D, purchasing, and IT teams
- * Support product launches including working with marketing team, executives, and other sales team members
- * Act as a product ambassador to build awareness, advice, and understanding
- * Represent the company, willing to travel and to solicit feedback on company products

Your profile

- * You have a Bachelor's / Master's degree in sales and marketing or business technology & analytics or similar
- * Ideally a first experience (1-3 years) in Marketing
- * Open for the challenge to become our product manager, open minded and curious
- * Ability to work in a dynamic environment, to prioritize workload and excellent time management skills
- * Good technical affinity with understanding for technical drawings and detail-oriented mindset
- * Analytical and strategic skills to ensure market survey and best technical requirements
- * Skilled at working effectively with cross functional teams in a matrix organization
- * You have excellent written and verbal communication skills in English, French or German
- * Good skills in office applications are required

We offer

- * A dynamic and future-oriented working environment
- * A varied and responsible job in an international environment
- * A secured job as well as a performance-oriented salary
